About CSC

- [CSC brochure](#) – general information about CSC’s activities across a range of settings
- [CSC School Offering](#) - specific information about our 2023-2024 Schools’ Programme
- [Secondary schools](#) – how we support chess in secondary schools, in the classroom and online
- [Inclusion](#) – the charity’s focus on disadvantaged communities

Our teaching methods

- [How we teach chess](#) – the use of mini-games to introduce chess one piece at a time
- [CSC Curriculum](#) – our 30-week programme of lessons that our tutors deliver in schools
- [Chess at Home](#) – an alternative course designed for parents to share with their children
- [Chess and maths](#) – how maths content is incorporated into the CSC Curriculum

Benefits of learning chess

- [Why chess?](#) – an overview of the key benefits of teaching chess to children
- [Impact](#) – feedback on our Schools’ Programme from students, parents, teachers, and donors
- [Research](#) – a summary of key academic papers supporting the educational benefits of teaching chess
- [SEND](#) – learning chess can have particular benefits for children with special educational needs
- [Closing gaps](#) – a report from the Social Mobility Commission
- [Nuffield Foundation](#) - a report on the positive effect of the provision of extra-curricular activities

Further details of our activities can be found on under the *Schools* and *Community* menus of the [CSC website](#).
